2017 Annual General Meeting

Link to our website with all the presentations

<http://homeopathymanitoba.ca/news/2017-annual-general-meeting/>

1- Membership fees for 2017/2018 are due May 2017 as we will be updating insurance lists within the next few weeks.

2- We adopted continuing education hours as a new criteria for yearly membership. These are outlined in the presentation slides and will be voted on at the next board meeting.

3- Dr Cardona updated our ongoing work with the Canadian Association for Homeopathy.

4- Dr Kumar summarized the homeopathic convention he attended on our behalf in Toronto this past month.

5- Dr Barreto summarized the connections we have been making with other homeopaths, insurance companies, and the general public with our website presence.

6- We are organizing a picnic date in the summer to get together. July 16 Sunday at 3 PM. Assinaboine Park. (Same place last year)

7- We are looking for member volunteers to support some of our committee work. It's a very minimal commitment, (as little as 2 hours per year!)

The committees that we have are:

- Membership committee: responsible for adjudicating new member applications

- Website committee: responsible for content to website and social media sites

- Education committee: responsible for providing access to continuing education and training for our members

Your help would be very much appreciated.
