In our AGM Dr Cardona talked about Continuing Education Requirements and how this will help in our professional development. Here the requirements.**

### CONTINUING EDUCATION REQUIREMENTS 2017 – 2018.

Category 1: Updated First Aid Course (1 to 2 hours)

Category 2: Attendance to AGM or National Association Conference (1-2 hours per year)

Category 3: Course or Conference in education in Homeopathy or allied natural therapies (2-4 hours per year)

-----

For this purpose the Board of Directors will organize an activity related with the PHIA act, each member of the MHA will received an email with information about login to do this activity on line, using his or her own email, and the due date will be **March 30<sup>th</sup> 2018**. After finishing the activity you will receive a certificate please keep that for your records.

This act is related with management of confidential health information: “health information is personal and sensitive and its confidentiality must be protected so that individuals are not afraid to seek health care or to disclose sensitive information to health professionals”

Here more information from the PHIA website [Online Training Program](#):

*The Personal Health Information Act* (PHIA). This program is provided free of charge as a tool for health information Trustees to utilize to ensure that they and their employees, students, volunteers, non-paid staff, and individuals providing professional services to the Trustee under contract, are properly trained so that they all fully understand and can comply with their obligations under PHIA and the Personal Health Information Regulation.

Here is the website about the act: <http://web2.gov.mb.ca/laws/statutes/ccsm/p033-5e.php>

## ABOUT THE FILM ONE DROP.

Manitoba Homeopathic Association brings you this special screening of Just One Drop on Monday the 5th of February at 6:30pm at Winnipeg Cinematheque, Winnipeg MB, Canada.

PLEASE NOTE: Enough tickets must be sold to ensure this screening goes ahead, if it doesn't happen those funds will be refunded - no one loses out! To buy tickets, click on the tickets link above :)

<https://fan-force.com/screenings/just-one-drop-cinematheque-winnipeg-ca/>

Just One Drop tells the little known story of homeopathy: the most controversial system of medicine ever invented. Homeopathy is a specific form of medicine that uses minute doses of a highly diluted substance that stimulates the body to cure itself. To many, homeopathy seems implausible. They fear it is purely a placebo effect or worse, a form of deception or quackery. Yet, homeopathy has been around for over 200 years and is used by millions worldwide. The film explores the controversy, dispels myths and misconceptions, and asks whether or not homeopathy been given a fair shake.

Check our [Facebook page](#) for more information

Please share this information with all your friends, patients and relatives.

We are working in a FLYER with this and more information about MHA, this will be sent by mail to the address that we have in our records.

**THE BEST IN 2018.**
