

MANITOBA HOMEOPATHIC ASSOCIATION

NEWSLETTER March 2019

(Our monthly meeting is March 8, 7 pm)

RECOMMENDATIONS TO OUR MEMBERS

- 1) Is important to add in every waiver the statement about “not allowed record video or audio in the consultation without the permit of the Homeopath”.
- 2) The word “cure” must be avoided as it relates to every and all diseases.
- 3) MHA has a clear position about vaccination. Words that we **should not** use are:
 - Anti-Vaccine.
 - Replacement of vaccinations.
 - Homoeopathic Medicines can be use a replacement for vaccinations

We need to be aware that CBC is reaching out to homeopaths for comment about homeoprophylaxis, we advise to not respond to these requests for comments.
